HAZCO Environmental Services acquires TEAM-1 Environmental Services Inc.

HAZCO Environmental Services (HAZCO), a CCS Company with head office in Calgary, Alberta is pleased to announce the acquisition of TEAM-1 Environmental Services Inc. (TEAM-1) based in Hamilton, Ontario to form "**TEAM HAZCO**".

TEAM-1 is the leader in providing emergency support services to government, transportation and industry. TEAM-1 has positioned themselves as the leader in response by being 'Miles Ahead, and only Minutes Away'. We also welcome TEAM-1 Academy (best known for their industry trend setting and government approved industrial safety training courses) as part of the HAZCO team. Mitchell Gibbs, the entrepreneur who founded and managed TEAM-1, will take on the role as HAZCO's Director of National Emergency Services. Mitchell says "this is a perfect fit for both firms and will provide the entire country with the state of the art equipment and services".

The acquisition was orchestrated by Dan Forsyth, HAZCO VP for Ontario who said, "my goal is to build HAZCO in Ontario. I want to integrate the ER and Training expertise at TEAM HAZCO with our excellence in site remediation services to exceed the customers' expectations".

Gregory Campbell, HAZCO Executive Vice President added, "the TEAM- 1 Environmental acquisition is a critical step in our goal of providing Emergency Response Services across Canada and expanding our compliment of Environmental Services in Ontario."

HAZCO Ontario Region has offices in Kitchener, Pickering, Thunder Bay and now Hamilton.
