### PROJECT HIGHLIGHTS

Under Columbia-HAZCO's PWGSC aboriginal set aside contract the joint venture partnership was contractor for the complete decommissioning of a former Military base at MT, Lolo, Kamloops, BC. The project included:

- ❑ Coordination and training of local First Nations
- ❑ Removal of ACM from interior and exterior of buildings, trenches and pipe ways
- ❑ Demolition and disposal of 24 multi story brick and wood buildings
- ❑ Removal and Disposal of 2,400 tonnes of asphalt
- ❑ Removal, crushing and placement of 3,500 m3 of concrete footings
- ❑ Complete grading of a several acre site
- ❑ Filling and remediation of a former sewage lagoon
- ❑ Packaging and disposal of various hazardous wastes.
