

## WASTE SERVICES

### HAZCO EDMONTON OPENS NEW SLUDGE FACILITY

HAZCO Environmental Services is pleased to announce the opening of its new sludge processing facility, a new addition to our Hazardous Waste Transfer Station in Edmonton. The facility is approved to receive non hazardous & hazardous waste streams and began accepting waste as of January 2006.

#### Location

The facility is located at 12311 - 17th Street, NE, Edmonton, Alberta and is open in conjunction with Edmonton's Transfer Station hours.
